coffee

at Brook Kitchen we pride ourselves on the quality of our coffee, sourced from the finest coffee roasters using only the best arabica beans. our baristas are all trained to provide you with a consistent, freshly ground, espresso based beverage. milks of your choice always available, add non-dairy for 40p and add syrup for 50p

espresso ristretto

£1.9

just coffee! the shortest of shots...

espresso

£2.6

at the Brook, our standard is a double espresso, otherwise known as a doppio

americano

£2.6

an espresso that has been diluted with hot water served in our 12 oz cups - or an italiano served in our 8oz cups. both left with enough space for your favourite milk or creamer

cortado

£2.8

an espresso (double) served with a small amount of warmed milk, 'wet' or 'dry' to your taste!

cappuccino

£2.9

the strongest of the milk and espresso coffee drinks, a cappuccino combines our double espresso with steamed milk in equal proportions, topped with a head of foamed milk in our 12 oz cup

mocha

£3.5

a shot of chocolate added to a cappuccino and topping it with some chocolate powder makes it a mochaccino, served in our long cups

café latte

£2.9

a milkier drink than a cappuccino ("latte" means milk). It combines a ristretto shot with three or four times as much steamed milk, topped with a small head of milk foam, served in our 12oz cup

macchiato

£2.8

our double espresso shot with pure frothy light and delicious foam, served in our 4oz cups

flat white

£2.9

microfoam is the difference here — a velvety, smooth texturized steamed milk, the difference is in the steaming of the milk, served in our 8oz cups

chai latte

£3.8

spiced chai tea mixed with steamed milk, add a shot of espresso for 50p for a dirty chai latte

turmeric latte

£3.8

with the addition of fresh turmeric, cinnamon and black pepper to your choice of creamer, you can really enjoy your health kick for the day - served in our 12oz cups with a coffee shot for 50p

iced coffee

£2.9

cold brewed coffee, chilled and served over coffee ice, add a with a sprig of mint or lemon if you like. a great all year round refreshing coffee boost!

iced latte

£3.45

made with our lovely cold brew coffee with creamer and served over coffee ice cubes. add an extra flavour shot of syrup for a change...
